SEA COAST ECHO

The Bay St. Louis Police Department is investigating a shooting death that apparently occurred early Tuesday morning across the street from Martin Luther King Park.

“On Nov. 3, at approximately 7:25 a.m., the Bay St. Louis Police Department responded to a report of a deceased female located on the 500 block of Washington Street,” according to a press release issued Tuesday by Bay St. Louis Police Chief Gary Ponthieux Jr.

“A single victim, identified as 37-year-old Misty Cato of Bay St. Louis, suffered a fatal gunshot wound. The death is being investigated as a homicide.”

Ponthieux said the investigation is ongoing.

Anyone with information can contact the Bay St. Louis Police Department at 228-467-9222.

A powerful blow: Hurricane Zeta’s winds cause extensive damage in Hancock County

Photo by Cassandra Favre | Sea Coast Echo

Hurricane Zeta’s wind downed this power line and damaged one of the former McDonald Hardware buildings on S. Toulme Street in Bay St. Louis.

BY GEOFF BELCHER
GENERAL MANAGER

Hancock County may have dodged the bullet — or hurricane — several times this year, but Hurricane Zeta made a direct hit last Wednesday as a strong Category 2 storm, causing as-yet untold damage county-wide and leaving tens of thousands of people without power for days.

“It was kind of surprising that we got as much wind as we did,” Waveland Mayor Mike Smith said. “I don’t think most people expected that dramatic increase in the amount of wind after landfall. On the initial assessment after the storm, it looked like a disaster area, it really did.”

“It was kind of flip-flopped from Katrina. The water did most of the damage during Katrina. This one, the damage was from the wind. It’s a lot of damage.”

Hancock County Emergency Management Agency Director Brian “Hooty” Adam said Tuesday that the damage assessment teams are still finishing up their work in the unincorporated areas of the county, but an estimate of the financial cost of the damage to the county should be available soon.

“We have quite a bit of damage,” Adam said. “We have a lot of debris that MEMA’s going to process. That will be done, hopefully, in a few days, so we’ll find out soon (what federal aid) we qualify for.”

Based on current estimates, Adam said, at

least 400 homes in Hancock County had at least minor damage.

“There were a lot of roofs damaged, the shingles blown off, roofs that actually were completely torn off,” he said. “And a lot of trees fell on people’s roofs.”

Mississippi Power estimated that right after Zeta blew through, there were more than 91,000 customers without power between Bay St. Louis and Biloxi. By 6 p.m. on Monday, “99 percent of customers who can receive power following Hurricane Zeta have been fully restored,” according to Jeff Shepard, public relations director for the company.

Coast Electric Power Association estimated that about 65,000 customers were without power at the height of the storm on Wednesday. By Sunday, that number had been reduced to about 6,725. By 4:30 p.m. Monday, the company announced

restoration was 95 percent complete.

No deaths from Hurricane Zeta were reported in Hancock County, although 17 injuries were reported, officials said.

Now, officials are concentrating heavily on cleanup efforts as well as outreach.

“If you need help, contact our office,” Adam said. “We have a volunteer reception here. Rhonda Rhodes

and her group (the Hancock Resource Center) are working very hard to get people help, whether it’s people needing cleanup in their yard or need trees or limbs cut or tarps put on their roofs.”

People needing help can call 228-364-4044.

Voters turn out in record numbers

BY GEOFF BELCHER
GENERAL MANAGER

Hancock County residents showed up two the polls Tuesday for the 2020 General Election in record numbers, dwarfing the numbers of voters for the past several elections in the county.

“Voting has been the heaviest I have ever seen in my 32 years working in the courthouse,” Hancock County Circuit Clerk Kendra Necaie said Tuesday. “This is definitely a record.”

Thousands attend Waveland’s Halloween Bash

ECHO STAFF

The city of Waveland on Saturday welcomed more than 3,000 visitors to its Halloween Bash on Coleman Avenue.

Despite the destruction left behind from Hurricane Zeta, the city was able to safely host the event.

Waveland Deputy City Clerk and co-organizer of the event Tammy Fayard said Tuesday that about 15 different organizations participated in handing out goodies to the children.

At one point, the event had to be shut down early, she said.

“We had no power at that time and wanted to get everyone out before dark because of safety issues,” she said.

Fayard said that turnout exceeded their expectations.

“We were happy to serve,” she said. “It was great. People thanked us so much.”

Knights of Columbus and Knights of Peter Claver join forces!

BY MAURICE SINGLETON
CONTRIBUTING WRITER

Knights of Columbus Pere Le Duc Council #1522 from Our Lady of the Gulf Catholic Church and Knights of Peter Claver Pere Blanc Council #6 from St. Rose de Lima Catholic Church joined forces to freshen up St. Mary's Cemetery on Saturday. Approximately twenty-five knights were joined my members of their churches to weed-eat, rake, pick up trash and trim trees and bushes, which resulted in a clean and freshly manicured St. Mary's Cemetery leading up to All Saints Day this weekend.

"It was a great opportunity for us to work together and to get to know their members," said local Knights of Peter Claver grand knight Maurice Singleton. "I know many of their members, but it was really good to work beside them and to get to know them better. It was good work and a very enjoyable experience for both organizations."

"I also learned something about my family," Singleton added. "I learned that my grandmother - a midwife - delivered ten of thirteen babies in a single family, a family that I was not familiar with, and a story that I hadn't heard. I

learned that as we stood in front of the grave of one of the siblings as her sister, who recognized my name, told me about my grandmother."

"It was a very important project. It was enjoyable working with my brother Knights and working with the Knights of Peter Claver," said Jordan Roy, grand knight of the Knights of Columbus. "The shared

cemetery is a special place for the city of Bay St. Louis, and it's maintenance is a responsibility of both parishes."

"It was great to share this time and work," Roy added. "I look forward to many other opportunities to work with the Knights of Peter Claver for the betterment of our church parishes and the community at large."

BWSD music teacher aims to 'uplift the spirit'

SEA COAST ECHO

Mother Teresa said, "Doctors can heal the body but it is music that uplifts the spirit."

This can be seen in the Bay Waveland School District at Waveland Elementary. After months of being off school, the children have been welcomed back to school by a new music teacher, Mrs. Hammett. Mrs. Hammett has been teaching kids since she was a child herself. She began teaching private piano lessons 15 years ago and started teaching Music in the school setting a few years ago.

Due to COVID-19, Mrs. Hammett teaches music on a cart and "the children get so excited" when she enters the room, she said.

"During music class, the students gain confidence as they learn to sing in front of one another," Hammett said. "They learn about famous composers from the past and present, learn to play instruments, feel the steady beat in music, and sing to a loveable puppet named CopyCat."

She said one of the highlights of her week was when a second-grader walked up to her and told her he thought Beethoven was amazing and he had been listening to "Fur Elise" the night before.

Mrs. Hammett will teach music at North Bay during the second semester and prepare the students for entry into the Bay-Waveland Middle School Band and Choir. Mrs. Hammett has set

up a Donors Choose account to purchase additional instruments for the elementary school kids. If you would like to donate to her project, you can find it on donorschoose.org under the title Making Music with New Instruments.

"The lines have been long since 7 a.m. this morning, but everything is running smoothly."

There was also a record number of absentee votes cast in Hancock County for this year's election, Necaise said. Absentee voting ended on Saturday.

"We have almost double the number of absentee ballots this year compared to the 2016 election," she said.

Circuit clerks statewide weren't allowed to begin county absentee ballots until 4 p.m. on Tuesday, but Sec. of State Michael Watson said Monday that the surge in absentee ballots statewide won't delay election results by more than one day.

In this year's General Election, Hancock County voters had the opportunity to cast ballots for their choice for the president of the United States; a new Mississippi state

flag; a U.S. senate seat currently held by Sen. Cindy Hyde-Smith; a Waveland representative on the Bay-Waveland School District Board of Trustees; and whether to make medical marijuana legal in the state.

There were also a number of uncontested races on the ballot, including U.S. Rep. Steven Palazzo's seat; Danita Holladay's seat on the Hancock County school board; state Supreme Court Justice Mike Randolph's seat; and five Hancock County Election Commissioner positions.

The ballot also included statewide Ballot Measure 2, on the adoption of House Concurrent Resolution No. 47, which will provide that "to be elected governor or to any other statewide office, a candidate must receive a majority of the votes in the general election. If no candidate receives a majority of the votes, then a runoff election shall be held as provided by general law."

The polls were scheduled to close at 7 p.m. Tuesday, after the Sea Coast Echo's press time.

withdrawals from it all.
We become bored with seemingly nothing to do. What have we become?
Instead of whining about it, find a new way to engage the family. How about just sit down and have a conversation? I'm not even sure children these days know how to do that without sending an electronic text message or video.
Put them to work doing some yard clean up. Show them what it means to be outside and put in a hard day's work.
Find some games to play; read a book by candlelight; take a nice walk if it's safe to do so.
I saw a lot of posts with people driving and walking around when it got real dark, even with the threat of debris and downed power lines. It didn't seem like a smart thing to be doing.
And of course, it all happened near Halloween. The city of Bay St. Louis cancelled trick-or-treating. Some were upset about that and some thought it wise, considering what we had just been through.
And oh yeah, there is still a pandemic going on as well.
Oh, but "I've got to live my life!" Oh yes, that was definitely sarcasm.
Sure, Halloween provides a

fun activity for the kids. They can dress up; knock on people's doors; and demand candy full of sugar, spice, and everything unhealthy.
Cue the rolling of eyes. I know, I know, you might think I'm a "Debbie downer," or a hater of all things fun.
But I'm really not. I'm just surprised by how many people's lives aren't fulfilled if they don't have the opportunity to attend this or that annual event; or go to the bars; or whatever else 2020 has seemingly "taken" away from them.
The only word that comes to my mind is shallow.
I think this year has caused me to do a lot of reflecting on life. Or maybe it's because I'm pushing 40 and having a midlife crisis or I could just be a cantankerous middle-aged lady.
Either way, I've learned to value the people in my life way more than I ever have.
Do I have to go to an event to show the people in my life I appreciate them or life? Does it add more meaning to your existence? Do you become a better person by attending an annual event?
And oh my goodness, I don't mean let us cancel all fun activities for all eternity. That's not what I'm suggesting at all.
But maybe we could learn to adapt to change better. We just went through a major disaster. Some people lost their entire home and livelihood and some can only think about the holiday that might

get "cancelled" this year.
Find a way to put a new twist on the holiday with the kids.
One of the best things about 2020 is how creative people have become. Some created chutes to throw the candy down to trick-or-treaters in an effort to maintain social distancing. Our own Bay High School hosted a jeep parade for their class of 2020 graduation. How unique a memory. I didn't get that kind of treatment when I graduated from Bay High in 2001. It rained on my graduation day and it was relocated to the hot gymnasium. But I still graduated and the world didn't end because plans changed.
There have also been numerous birthday parades hosted by first responders, families, and friends.
The real heroes of this year are the ones that have learned to adapt and find more creative ways to celebrate the milestones during a year riddled with challenges.
I think the Rolling Stones said it best.
"You can't always get what you want
You can't always get what you want
You can't always get what you want
But if you try sometimes, well, you might find
You get what you need"

JOHNNY WADE KOENENN

Wade was born on February 6, 1956 and passed away on October 14, 2020.

Wade was preceded in death by his mother, Marion N. Koenenn, his father, J.C. Koenenn, and his daughter, Kelly Marie Koenenn McClelland.

Wade lived life to its fullest. He enjoyed the outdoors, whether it be working on a “project” at home, hunting with family and friends, fishing along the river bank or in

the Gulf. His love for the outdoors was surpassed only by his love for his school sweetheart and wife of 44 years, Shelly, and for his daughters, his grandchildren, and extended family and friends. Wade attended Pearl River Junior College and furthered his education at Mississippi State University, pursuing a degree in Forestry. Following graduation, he was employed by International Paper for 35 years. In 2001, his job transferred him from Bay St. Louis, MS to Moundville, AL, where he continued his job as a Forest Technician. Cur-

rently, he worked as Senior Procurement Technician. Wade and Shelly, along with their daughters, Kelly and Kacey, made Moundville their new home, where they became a part of the community and established many new friendships.

Those who had the privilege of knowing him were blessed by being a part of his life. Wade has left a lasting, loving, and never-ending legacy through the life he lived. He will remain in the hearts, conversations, tears, and laughter of all those who knew and loved him. The values, knowledge, life skills, and love he passed along to so many will continue as a lasting tribute to him.

Graveside services will be at 10:30 a.m. November 7, A.D. 2020 at Sand Hill Cemetery in Kiln, MS. A celebration of life gathering will follow the service.

OLA receives a generous donation from the late David Treutel, Sr.

SEA COAST ECHO

On September 25, 2020, the family of the late David Treutel, Sr., presented Our Lady Academy with a charitable donation in memory of their mothers Pennie H. Treutel and Karen K. Treutel as bequeathed in their father’s last will and testament. Mrs. Pennie Herring Treutel was a former member of the OLA school board and Mrs. Karen Kergosien Treutel graduated from St. Joseph Academy’s class of 1953.

Mr. Treutel bequeathed this endowment in appreciation for the Christian

education Our Lady Academy provided his three daughters, Missy Treutel Schmidt ’79, Cathy Treutel Kidd ’83, and Suzy Treutel Gachassin ’86.

“The greatest gift-our gift of faith-given by Our Lord, instilled and nurtured by our parents and formed by Our Lady Academy. We are truly grateful!” Missy Schmidt shared.

Principal Marilyn Pigott expressed, “It is an honor to have the Treutel name and legacy associated with Our Lady Academy. The generosity of Mr. David Treutel, Sr. is without question a commendable and appreciable contribution to OLA.”

Seasonal Flu Vaccinations Available at all County Health Departments

SEA COAST ECHO

Seasonal influenza vaccinations are now available for children and qualifying adults at all Mississippi State Department of Health (MSDH) county health departments. Flu vaccination is recommended for everyone 6 months of age and older as the best protection against the flu.

“We recommend that all Mississippians get their flu shots every year, but especially this year with COVID-19. We don’t want to risk overwhelming our hospitals,” said MSDH State Epidemiologist Dr. Paul Byers.

Dr. Byers said that flu season can occur as early as November and as late as March in Mississippi, but usually peaks anywhere from December through February.

Individual flu cases are not reported to MSDH, but the agency monitors flu activity through the ILI System, made up of healthcare providers in Mississippi who report the percentage of patients with flu-like symptoms to a statewide database. Providers participating in the system also submit respiratory samples for flu testing to the MSDH lab. State health officials use this information to determine the presence and spread of flu throughout the state.

“We recommend getting vaccinated now before we reach peak flu activity. Influenza vaccine is especially important for young children, pregnant women, those over 65, and those with underlying health problems,” he said. “Flu vaccination is the best way to protect both children and adults from

serious complications such as hospitalization, and in many cases, death.”

Those 18 and under who are eligible for the Vaccines for Children program can receive a flu vaccination for \$10. Insurance, Medicaid and Children’s Health Insurance Program (CHIP) is accepted for children’s flu shots. A list of all VFC providers can be found at www.HealthyMS.com/vfc.

Adults who are underinsured or uninsured and who meet certain high-risk criteria qualify for an adult flu vaccination at MSDH county health department clinics. Flu shots for insured adults are now widely available through private physicians, pharmacies and retail centers.

Flu symptoms include fever, cough, sore throat, muscle and body aches, and fatigue. Most people recover from the flu without complications, but nationwide

there are up to 200,000 hospitalizations from flu each year.

While vaccination is the best protection, basic infection control measures can also reduce the spread of flu and should be taken whether or not individuals are vaccinated. These measures include covering your mouth when coughing and sneezing, staying at home when you or your children are sick, and washing your hands frequently. Wearing a face covering in public places offers additional protection against the flu.

Please call your local county health department to make an appointment for your vaccination.

To locate a county health department clinic in your area or for more information on flu, visit the MSDH website at www.HealthyMS.com/flu. Follow MSDH by email and social media at HealthyMS.com/connect.

HAVE YOU EVER LOST YOUR IDENTITY? By GARY ANDREWS

We are living in a society where many people will steal the identity of their friend, neighbor, customer, or someone they do not know. Almost every day you will see someone trying to be someone else because they think it will benefit them in some way. Many times the reason is for money, prestige, power, or just to be mean and deceptive. This is nothing new; however it can really be destructive to the ones losing their identity. How about Jesus losing His identity because of the religious leaders convincing the court that He was not who He said He was. These so called religious leaders had not accepted Jesus because He was the one that was exposing their hypocrisy and undermining their privileged position in the minds of the populace. The religious leaders were angry, and from their perspective they were justified in taking action to eliminate Him. When Pontius Pilate, the Roman governor of Judea, tried to free Him with a crowd choice of a convicted criminal or

man convicted of no wrong, the religious leaders were able to persuade the citizens that they should call for the release of Barabbas and crucify Jesus. Today we continue having identity thieves steal most of everything we have worked so hard for. These people do not care about us or anyone around them. They are like the religious leaders in Jesus time and want to remain secluded from the evil they are doing to people around them. Very few times will an identity thief ever be caught because of the electronic diversions they are able to use. Many times when a thief has stolen a wallet and/or driver's license they will be exposed and face the criminal system, however with the current justice system that we have in place today, many are set free just as Barabbas was. Many people today lose all of their savings, their home, their credit worthiness, and their retirement because of skilled electronic users that play on our ignorance. In everything that

we do, we should be very aware of who we are dealing with and what information we are allowed to be taken from us. In the days of Jesus when His identity was stolen, He knew that He would face a very cruel death because of our sins and would be raised three days later to offer us a chance for eternal salvation and peace. In today's world we can lose everything that we have because of evil desires of some; however they can never take our identity that we have with Christ. Eternal salvation and living with Jesus is the only hope that we can have, and all we have to do is ask Him to come into our hearts, live in us, and guide us in the direction He wants us to go. Prayer: Father God, thank you for offering us eternal salvation and giving us something that we will never lose, even though we will, one day, leave everything we have obtained on earth behind. Amen.

Meet Holly. This sweet, demure girl was not reclaimed by her owner, so we are seeking a responsible, loving home for this 2 year old American Staffordshire Terrier mix. She is a sweetheart who has made fast friends with the other dogs here at the

shelter. She is super sweet and loving, but she can be shy when meeting new folks. However, she responds immediately to kind words and lots of love and attention. She gives the best hugs and kisses too! Holly loves to play with our staff & volunteers, and she is just too precious when she gets the "zoomies!" She could be a trusted family pet, or a devoted companion for a single person, couple or active retirees. Our techs have not yet determined if Holly is house or leash trained. As we learn more about this darling girl, we will update her profile. In the meantime, if you would like to meet Holly, please call our front desk at 228-466-4516 to schedule a meet-n-greet. Please bring your dog(s) in for the visit to ensure compatibility. Please visit our Facebook page, Hancock County Animal Shelter, MS, to see more pictures of Holly and of the many other deserving, adoptable animals looking for their forever homes.

Tigers hold off Bulldogs for homecoming win

BY MAURICE SINGLETON
CONTRIBUTING WRITER

The Bay High Tigers (4-4, 2-2) survived a late Vancleave score, followed by the Bulldogs' successful recovery of the onside kick, but the Tigers stymied the Bulldogs' momentum to hold on to a 28-21 homecoming win at J.D. McCullough Stadium Tank Williams Field on Saturday.

The win matches Bay High Tigers and South Pike in Magnolia on Friday for the first-round of the 4A playoffs.

The Bulldogs scored on a 24-yard quarterback keeper with 4:44 remaining on the game clock to pull within 7 points of the Tigers. And with everybody in the stadium anticipating the inside kick, the Bulldogs executed a high-bouncing onside kick near their sideline, and the Bulldogs recovered the ball at midfield.

The Bulldogs would pick up two first downs, the second coming on an encroachment penalty against the Tigers' defense, giving the Bulldogs only 26 yards to go to tie the game. But from there the Tigers' defense stepped up BIG. The Bulldogs picked up a total of six yards on three snaps, forcing a fourth down with four yards to go for a first down with 1:08 remaining in the game.

So, on fourth down, Bay High unleashed the TIGERS, pressuring the Bulldogs at every possible point of attack, as they attempted a screen pass. But the Tigers were ready for it as senior Kyle Fayard batted down the Bulldogs' last hope.

"He's a warrior," said Bay Coach coach Jeremy Turcotte of Fayard's pass deflection. "He's one of these four-year kids whose been here. I'll be honest; if we had a

bunch of Kyle Fayard's, we'd win a lot of games. He's a soldier, a grinder. He's a guy you would want with you in a fox hole.

"I'm emotional because we don't know the last time Bay High has won the last regular season game," Turcotte added. "They didn't win it 2012; they didn't win it '93 when they were really good. It's always been like a curse to win the last regular season game.

"We're trying to do something special," said Turcotte. "We gave up a close one at St. Stanislaus. We had Moss Point on the ropes. I know it sounds almost cliché, but they do everything we ask. They show up early; they stay late. They work hard."

The Tigers' defense showed some signs that they were up for the challenge on the Bulldogs' first possession of the fourth quarter as they

backed the visitors up six yards with a 3-player sack, featuring Johan Smith, Seth Russo and Fayard. The Bulldogs' possession would end with a punt on fourth down, facing 16 yards for a first down.

The story of the first half was mostly about Bay High's offense and quarterback Josh Peters. On the game's second snap, Peters broke free for a 42-yard keeper to the Bulldogs' 18 yard line. On the very next play he faked a handoff and jetted 18 yards for the score.

On the Tigers next possession, Peters sparked the Tigers with a 30-yard carry and completed two passes of 9 and 8 yards to Teron Bedford and Hosea Singleton, respectively. Peters scored from three yards out to give the Tigers a 14-0 lead, following Trevor Bordelon's second PAT kick.

their third consecutive possession on an 11-yard Peters' keeper with just under four minutes remaining in the first half. The six-play drive was highlighted by a 35-yard pass play from Peters to Joshua Bell. The Tigers led 21-7 at halftime.

The Tigers recovered the Bulldogs' mishandled kickoff return, but failed to capitalize. On their second possession of the second half, the Tiger went 66 yards on six plays, culminating on a Noah Cutter 40-yard

carry for the score and a 28-7 lead. A 20-yard pass completion from Peters to Bell set up the run.

Peters led all rushers with 125 yards on 14 carries and three touchdowns. Cutter added 93 yards on 14 carries and a touchdown. Peters completed 7 of 18 passes for 124 yards. Bell finished with 2 receptions for 55 yards followed by Singleton with 2 receptions for 50 yards and Bedford with 2 receptions for 20 yards.

Hawks blanked by Indians 20-0

BY JOSEPH W. GEX, II
STAFF WRITER

The Hancock Hawks had to adjust their normal routine due to lingering fallout from Hurricane Zeta and travel to Biloxi on Monday evening to tangle with the Indians.

The Hawks (2-5, 1-3) fell to the Indians and Krishun Kendrick 20-0.

Kendrick accounted for all three of the Indians' touchdowns as he ran for one, caught one and threw the last one.

In the game, Kendrick rushed 23 times for 125 yards and a touchdown, caught two passes for 24 yards and a touchdown and was 1-for-1 passing for 49 yards and a touchdown.

The Indians opened the game with a 16-play that ate up seven minutes and 30 seconds of the clock. The drive culminated with a one-yard scoring run by Kendrick.

The Hawks answered with a

10-play drive of their own that was highlighted by two catches by Tyler Ahlers for 35 yards. The drive ended in a missed 34-yard field goal.

The Hawk defense stiffened on Biloxi's ensuing possession and forced a punt but Hancock also was forced to punt back to the Indians.

Biloxi put together a 12-play drive that culminated with a six-yard scoring aerial from Deljay Bailey to Kendrick with 43 seconds to go before halftime to put Biloxi up 14-0.

The Hawks came out in the second half and put up a 15-play drive that got to the Indian one-yard line and took up over eight minutes on the clock.

Kameron Breland hit Sema'j Robertson for a 16-yard reception down to the Indian one-yard line to highlight the drive but a penalty and a negative play brought the Hawks back to the 13 yard line before Breland was intercepted in

the endzone.

The Indians went on to score their final touchdown of the night on a 49-yard pass from Kendrick to Deon Hardin with 45 seconds left in the third quarter.

The Hawks were intercepted on their next drive which allowed the Indians to run the clock down.

Hancock head coach Neil Lollar commented, "This was a difficult game from a variety of circumstances. Each of us are dealing with different circumstances from this storm but our guys battled to the end. We played a very football team tonight and I am very proud of how we continued to battle. We had a couple of chances to change the direction of the game but came up short. Now, we need to turn our focus to West Harrison on a shortened week and prepare for them."

West Harrison beat St. Martin 55-0 last week. Game time is set for 7 p.m. See you at the game!

Tigers win, Hancock falls, Zeta washes out SSC/Pass

BY JOSEPH W. GEX, II
STAFF WRITER

This past week on the gridiron was eerily similar to the dark shadow that has become known simply as “2020”. The lone bright spot was the Bay High Tigers putting it on the Vancleave Bulldogs Saturday afternoon to secure the #3-seed from Division 8-4A for the state playoffs.

Hurricane Zeta, a storm that I am positive many of us did not expect the punch we took on the chin last Wednesday, jumbled up the high school gridiron schedule. The storm wreaked havoc across the coast causing Hancock and Biloxi to lock horns on Monday evening and completely washing out the Saint

Stanislaus/Pass Christian game.

Bay High Tigers

The Bay High Tigers (4-3, 2-2) went from zero division wins in 2019 to a #3-seed and the Class 4A state playoffs in 2020.

Tiger alum and Bay High head football coach Jeremy Turcotte has the Tigers stepping up their game following a 28-21 handling of the Vancleave Bulldogs on Saturday afternoon.

The Tigers will have to make a trek to Magnolia, MS, to take on South Pike (6-4, 4-2) in the first round of the Class 4A state playoffs this Friday night. Last week, South Pike lost to North Pike 27-26.

South Pike is led by Chris Royal who has

thrown for 579 yards and six touchdowns with five interceptions on 35-for-102 passing. He also has 429 yards rushing on 92 carries with eight touchdowns. Kam Reynolds has rushed for 836 yards and eight touchdowns on 112 carries and has 18 receptions for 245 yards and two touchdowns.

On defense, South Pike is paced by Brennan Felder with 79 tackles including 15 tackles for loss and three interceptions. Reggie Bonds has added 60 tackles with 16 tackles for loss and Chase Powell has contributed 37 tackles with 11 tackles for loss and five sacks.

Hancock Hawks

The Hawks (2-5, 1-3) took a tough one on the chin Monday evening at

Biloxi falling to the Indians 20-0.

This week the Hawks host West Harrison in

the season finale for Hancock. Last week, West Harrison (3-6, 3-5) beat St. Martin 55-0.

SSC moves to Class 3A; Bay, Hancock, Pass Christian, OLA all remain in same class

The Mississippi High School Activities Association recently completed reclassification of all schools in Mississippi. The only glaring change for area schools is Saint Stanislaus will move to Class 3A after being in Class 4A since 1982 when classification began based on enrollment figures.

Hancock remains in their current Class 6A classification for all sports. Bay High and Pass Christian remain in their current Class 4A classification for all sports. OLA remains in their current Class 3A classification for all sports.

The Rocks will face off against new teams and faces in Class 3A. In cross country, their division will consist of Jefferson County, Jefferson Davis County, Perry Central, Port Gibson,

St. Patrick, Tylertown, Wesson Attendance Center, and Wilkinson County. In football, the Rocks will square off with Jefferson Davis County, Perry Central, Seminary, St. Patrick, and West Marion. In basketball, SSC will face off with Jefferson Davis County, Perry Central, St. Patrick, Tylertown and West Marion.

In soccer, SSC will face the likes of North Forrest, Perry Central, Resurrection, Sacred Heart, and St. Patrick.

The baseball and track and field divisions were not released. In swimming, SSC will remain in Class I.

In Class 4A, with the departure of SSC and Vancleave moving to Class 5A, Greene County and Stone will take their spots, respectively.
